# About Us

As a school we aim to broaden horizons for our pupils, supporting them until they are ready to transition into their next school. We work hard to ensure that every young person we work with receives the best possible learning opportunities.

Our Midfield Campus provides education and support for 5 -11 year olds pupils who are at risk of being, or have been, permanently excluded from primary school. We aim to work with these young people to identify and remove barriers to learning, so that where possible they can return to a mainstream school or access a specialist school setting if more appropriate.

Our vision is to create a future where every child, in every school, can flourish every day.

- Give all children an inspirational school offer
- Ensure the educational achievement of every child and young person entrusted to us.
